

## **Hospitality Suites**

Vendor participation is encouraged and welcomed. Vendor hospitality rooms are available as a means of entertaining customers, making and renewing acquaintances, enjoying camaraderie, and to emphasize the technical and professional aspects of the Conference. Vendors who are registered as an attendee of the PCIC Conference may participate in the Vendor's hospitality rooms while maintaining conduct in line with Conference etiquette rules for entertainment. Requests for hospitality suites shall be made through the Local Conference Committee. If interested, please contact Bill Stewart, Vendor Hospitality Chair, at [BillGStewart@Chevron.com](mailto:BillGStewart@Chevron.com).
